

### Grading Policy Rubric

The following criteria will be used to determine the quarter grade.

4 – Advanced A “4” is defined as 3.5 – 4.0	3-Proficcient A “3” is defined as 2.5 – 3.4	2-Partially Proficient A”2” is defined as 1.5 - 2.4	1-Unsatisfactory A “1” is defined as 0.0 – 1.4
<p>Maintain 4-level work <u>consistently</u>* on daily work (notebook entries, lab write ups, worksheets, notes, etc.) and assessments.</p> <p>A total of 5 extension points from Independent Projects may be earned to demonstrate advanced understanding of a standard. Each point is equivalent to 0.1 which will be added to the computed grade at the end of the quarter.</p>	<p>Maintain 3-level work <u>consistently</u>* on daily work (notebook entries, lab write–ups, worksheets, notes, etc.) and assessments.</p> <p>A total of 5 extension points from Independent Projects may be earned to demonstrate advanced understanding of a standard. Each point is equivalent to 0.1 which will be added to the computed grade at the end of the quarter.</p>	<p>Maintain 2-level work on daily work (notebook entries, lab write –ups, worksheets, notes, etc.) and assessments.</p>	<p>Student does not achieve the criteria specified for Partially Proficient or higher</p>

“Consistently” - Missing work indicates gaps in understanding. Therefore, the lower grade will be assigned until missing work is completed.
